

PETERSBURG HOPS

HEALTHY OPTIONS PARTNERSHIPS

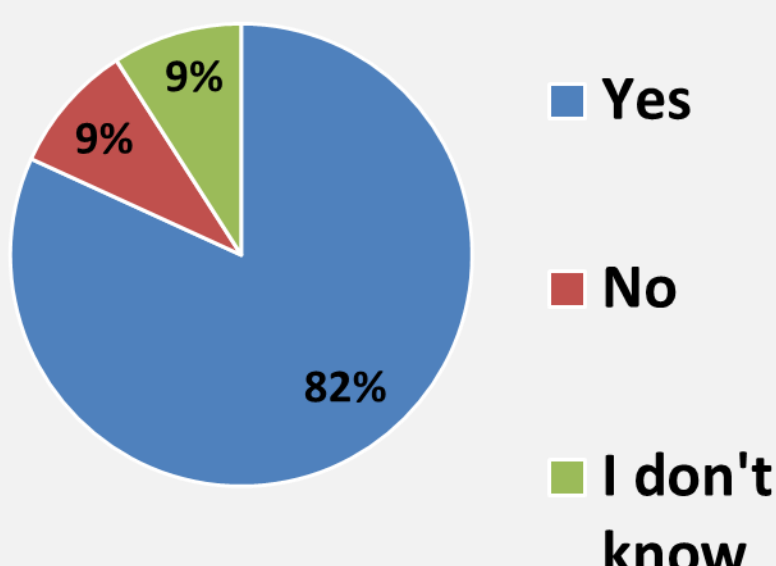

Results are based on 195 Petersburg residents' responses to two community surveys.

Would You Visit a Mobile Market?

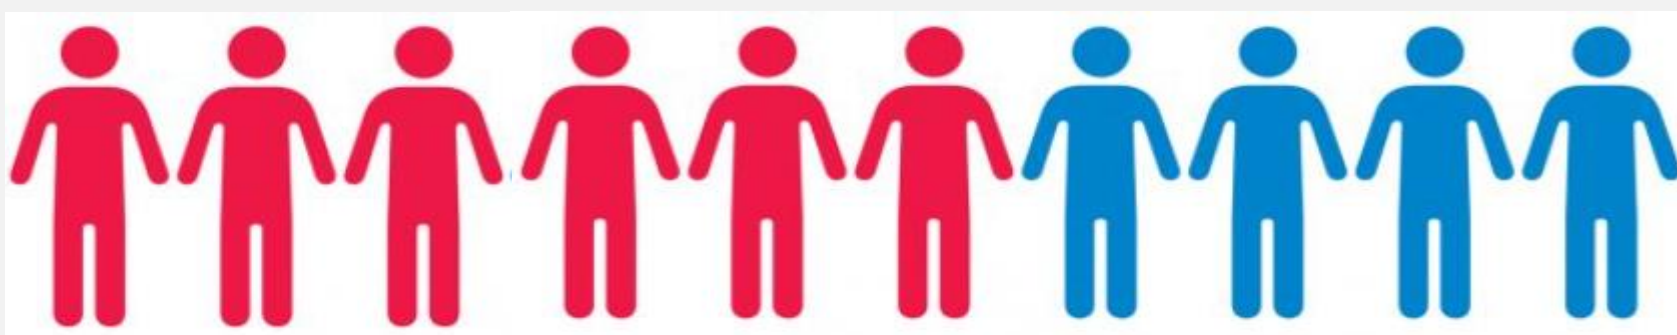

PHOPs will offer mobile produce markets in areas that need and want more access to fruits and vegetables.

Would You Buy Fresh Produce at the Library?

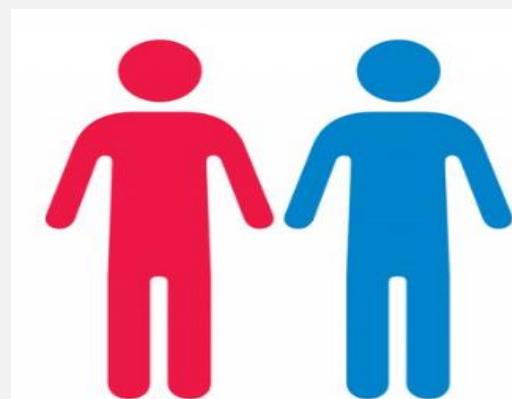

PHOPs will work with local farmers to offer a produce market at the Public Library.

6 out of every 10 people DID NOT KNOW about the Virginia Fresh Match Program at River Street Market.

PHOPs is promoting the SNAP and Virginia Fresh Match programs.

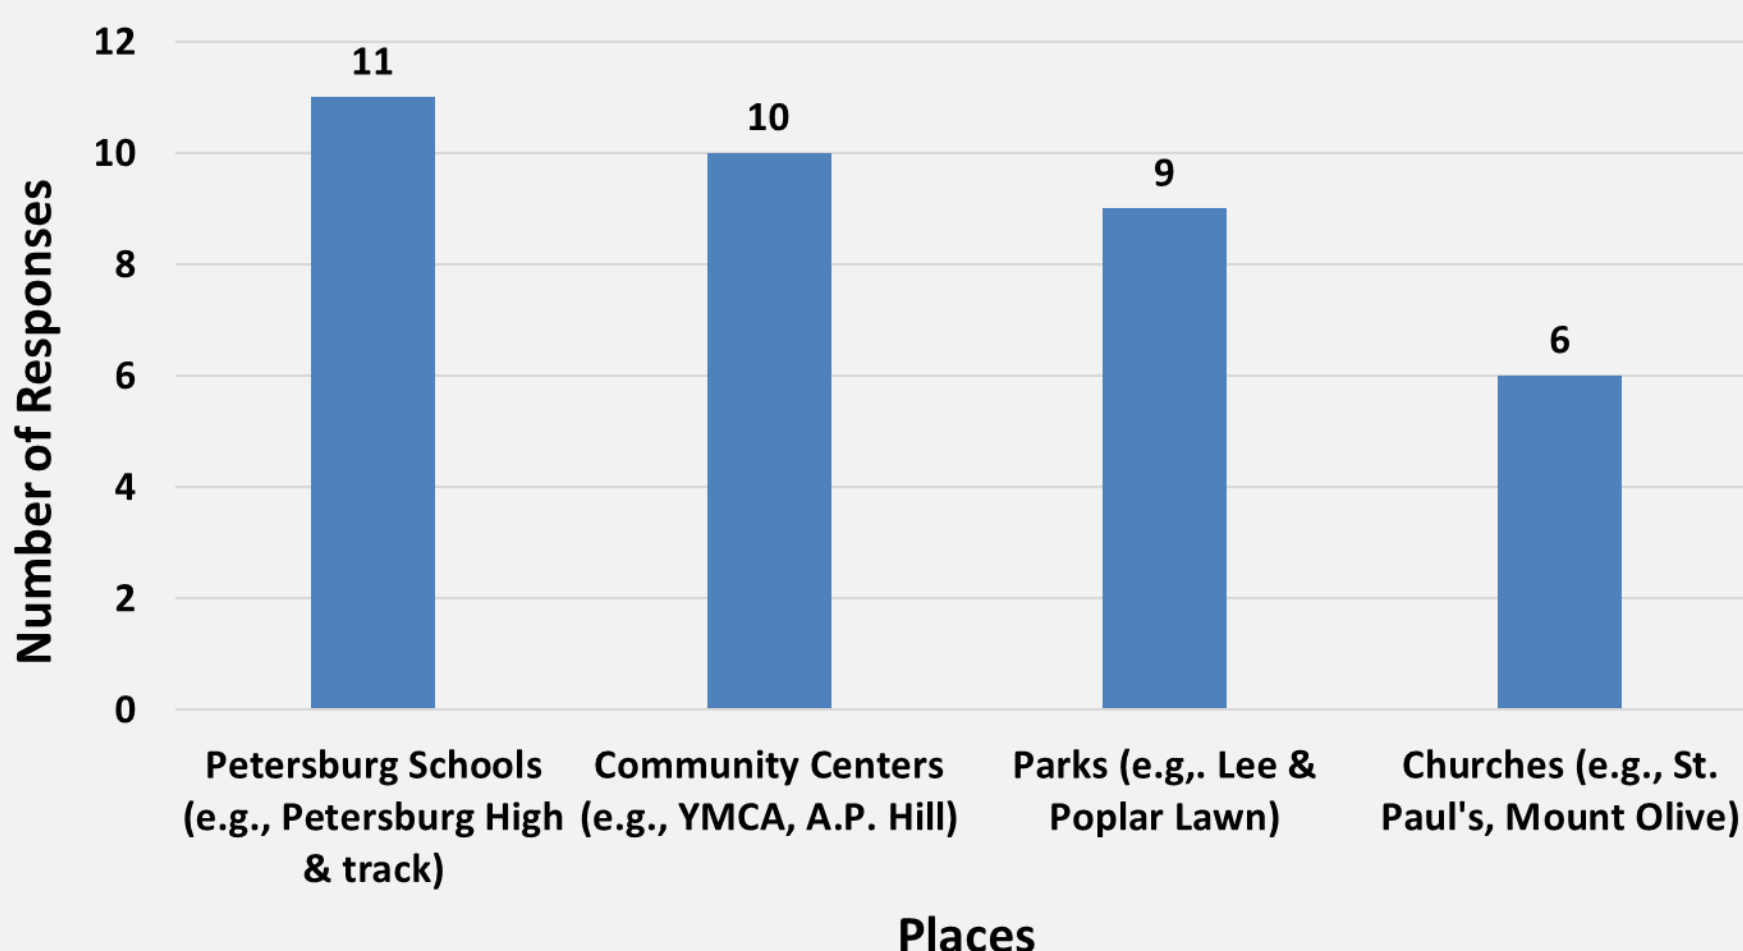

1 out of every 2 Petersburg residents surveyed does not feel safe walking in the City.

Reasons for feeling unsafe were not surveyed, but could include traffic, crime, lack of sidewalks, among other issues.

PHOPs supports efforts to expand and connect safe walking and biking trails in Petersburg.

Places Where People Would Like to Exercise

pHOPs will work with partners to create opportunities for community members to use these types of places to exercise.
